Zinc Hanging Planter

Parts and Hardware List

A.	Hanging Planter	1 pc
B.	Finial	1 pc
C.	Hexagon Bolt	1 pc

* Please make sure that you have all the parts and hardware indicated above before you begin assembly of this item.

Attaching the Finial

Attach Finial (B) Unscrew the Hexagon Bolt (C) from the Finial (B). See illustration # 1. Align the pre-threaded hole of Finial (B) with the pre-drilled hole and insert the Hexagon Bolt (C) from the inside. Secure it by turning in a clockwise direction. See illustration # 2.
